

2020 MIA Boat Parade

On December 5, 2020 we teamed with our proud partners, Marine Industries Association, and their partner, WPBFTV, hosts of the annual Palm Beach Boat Parade, to celebrate the holiday season by blessing the fleet of decorated boats parading the intracoastal waterway. The event raises money for two wonderful organizations, Toys for Tots and Little Smile. The Marine Industries Association is a proud sponsor of Palm Beach Seafarers Center.

During the event our local SE Florida Episcopal priests, Reverend Jeff Beebee and Reverend Susan Beebee, blessed over 50 boats parading by the Marine Industries Association booth, shared by our organization, Palm Beach Seafarers Center. Assisting the priests at the event was Reverend Deacon Clay Waddell, Bethesda By The Sea Episcopal Church and a member of Palm Beach Seafarers Center. All the vessels were blessed for a safe, prosperous, and joyful boating year.

Our seafarers center supports our boating community as well as our port shipping community. The Marine Industries Association of Palm Beach County, Inc. (MIAPBC) is a not-for-profit organization created to promote and protect the sound growth of the marine industry in Palm Beach County for the benefit and education of its members, the community and the environment. We hope you will support the Toys for Tots and Little Smile drive by contacting the Marine Industries website: <https://www.marinepbc.org>
