

International Seafarer's Day - June 25, 2021

The critical, often dangerous jobs of seafarers remain invisible to the world's general public. The International Seafarers Day pays special tribute to seafarers long hours of difficult, grueling work laboring to bring us 90% of everything we use. Organized by the International Maritime Organization (IMO) and United Nations it celebrates the contributions and value seafarers make to our everyday lives and worldwide economy.

IMO launched a special Day of the Seafarer 2021 video-poem by Mr. Chad Jordan that is dedicated to seafarers and their hard work, which often goes unseen.

This year, in fellowship with our partners, we were able to honor Seafarers Day with visits to ships and crew and distribute gift bags of supplies and food to over 100 mariners between June 24 and June 28 2021. We are very grateful to our generous sponsors for their support.
