

Monarch Princess Crew Foosball Tournament

Nothing like the fanatical Foosball crew of the Monarch Princess grabbing a spot at the Port of Palm Beach Seafarers Center for a rousing Foosball tournament! Pizza and sodas topped out the tournament! These crewmen forgot they were crewmen for a few hours of pure fun and frolic at our Seafarers Center. They'll be back for more tournaments of Chess, Dominoes and yes, Foosball too.....so stay tuned!
