

2021 Marine Industries Association Boat Parade

On December 3, 2021, we teamed with our proud partner, Marine Industries Association, and their partner, WPBFTV, hosts of the annual Palm Beach Christmas Boat Parade, to celebrate the holiday season by blessing the fleet of decorated boats parading the intracoastal waterway. The event raises money for two wonderful organizations, Toys for Tots and Little Smiles.

During the event our local Episcopal priests, Reverend Susan Beebee, and Reverend Jeff Beebee, blessed boats parading by the Marine Industries Association booth shared by our organization, Port of Palm Beach Seafarers Center. Assisting the priests at the event was Reverend Deacon Clay Waddell, Bethesda By The Sea Episcopal Church and Port of Palm Beach Seafarers Center volunteers. All the vessels were blessed for a safe, prosperous, and joyful boating year.

Our Port of Palm Beach Seafarers Center supports our local boating community as well as our port shipping community. The Marine Industries Association of Palm Beach County (MIAPBC) is a not-for-profit organization created to promote and protect the sound growth of the marine industry in Palm Beach County for the education and benefit of its members, the community and the environment. We hope you will support the Toys for Tots and Little Smiles fundraising initiatives by visiting the Marine Industries Association website: <https://www.marinepbc.org>.
