

Moffatt & Nichol – PSA Management partner to supply the Port of Palm Beach Seafarers Center

The Port of Palm Beach Seafarers Center received a donation of one hundred personal hygiene kits that included tooth brush, paste, deodorant, combs and nail clippers. Ken Parkinson along with Dolores Betz of Moffatt & Nichol arrived at the center with two bins filled with these kits. The oral hygiene items are especially in demand when mariners visit the center.

Aaron Hoffman, Phyllis Goodner, receive donations from Dolores Betz & Ken Parkinson

Moffatt & Nichol partners with PSA Management and are maritime facilities consultants and construction experts who look to improve and maximize ports capabilities and efficiencies. They also support the maritime charities such

as seafarer missions that are common at many seaports throughout North America.

The Port of Palm Beach Seafarers Center welcomes these corporate donations to benefit our mariners. Thank you PSA Management, Moffatt & Nichol for your kind consideration and gifts to our mission.
