

From Docks to Decks Our 2021 Christmas At Sea Crew Care Packages Gifts from Thanksgiving Through January 31, 2022 Updated

Our Christmas at Sea supplies arrived early this year when executives from Moffatt & Nicol, PSAManagement and HDR Engineering Inc. delivered gifts for our nonprofit's head start on its holiday initiative called Christmas at Sea. These executives and their staff filled oversized crates with 780 pairs of new crew work socks and over 400 sets of personal hygiene supplies for mariners visiting the Port. The additional oral hygiene items are especially in demand when mariners visit the center. Their gifts are included in our annual Christmas At Sea holiday gift boxes personally delivered by our volunteers for each crew member on ships arriving at the Port from November 22nd through January 31, 2022. Joining in the celebration for Christmas At Sea were generous donations from The Episcopal Church of Bethesda By The Sea and tenants of the Port of Palm Beach supporting the Port of Palm Beach Christmas Care Package Drive.

MOFFATT AND NICOL, HDR ENGINEERING, PSA MANAGEMENT, PORT OF PALM BEACH SEAFARERS CENTER VOLUNTEERS, MOFFATT AND NICOL STAFF

400+personal hygiene kits that included tooth brush, paste, deodorant, combs and nail clippers. Ken Parkinson along with Dolores Betz of Moffatt & Nichol arrived at the center with two bins filled with these kits.

A big thank you to Port of Palm Beach Seafarers Care
